Editorial Policy

This is YKK 2020 is an overview of management and business activities that are rooted in the “Cycle of Goodness” YKK Philosophy embraced by the YKK Group from its founding to the present day.

The publication provides insight into the state and foundation of value creation by the YKK Group as it seeks to enhance corporate and social value and reports primarily on progress and achievements under the Fifth Mid-Term Management Plan, representing a mid- to long-term strategy, and sustainability efforts.

An integrated format is used to present the results of activities and future strategies in both financial and non-financial areas.
