

Episode 4 Resolution

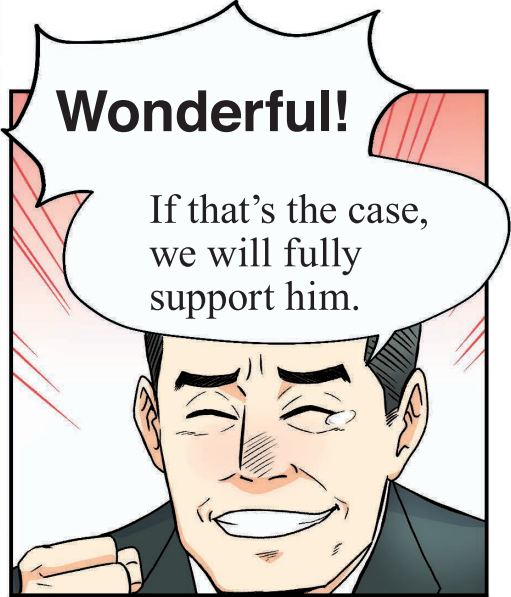

He reported this to the president by letter.

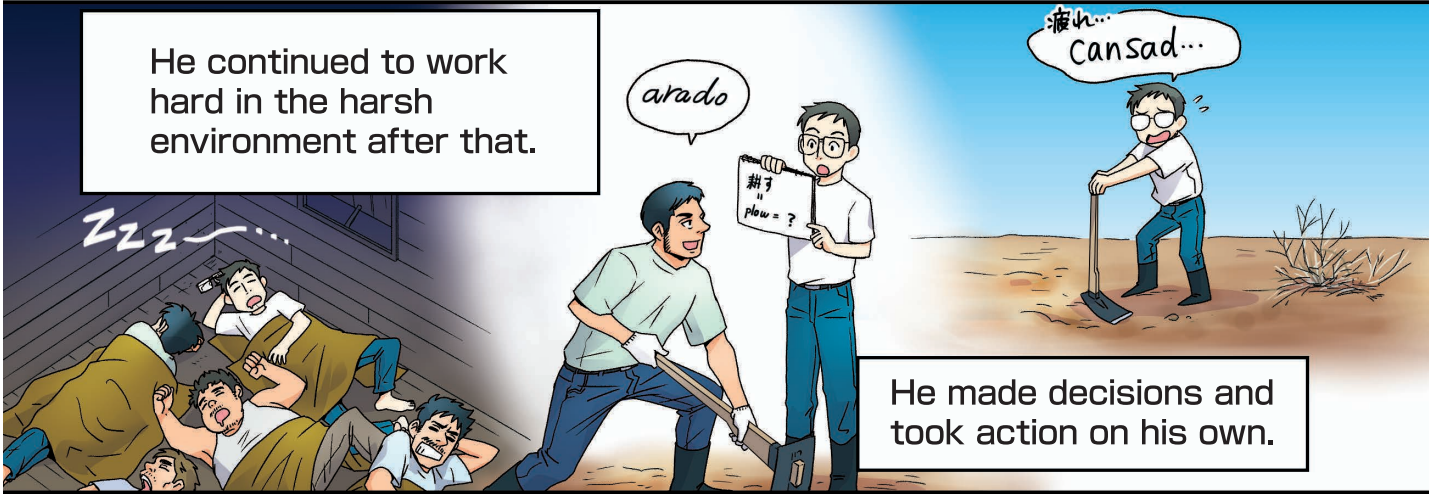

Oh my...

I sent him there just for the site inspection this time but...

Wonderful!

If that's the case, we will fully support him.

He continued to work hard in the harsh environment after that.

arado

疲れ... Cansad...

He made decisions and took action on his own.

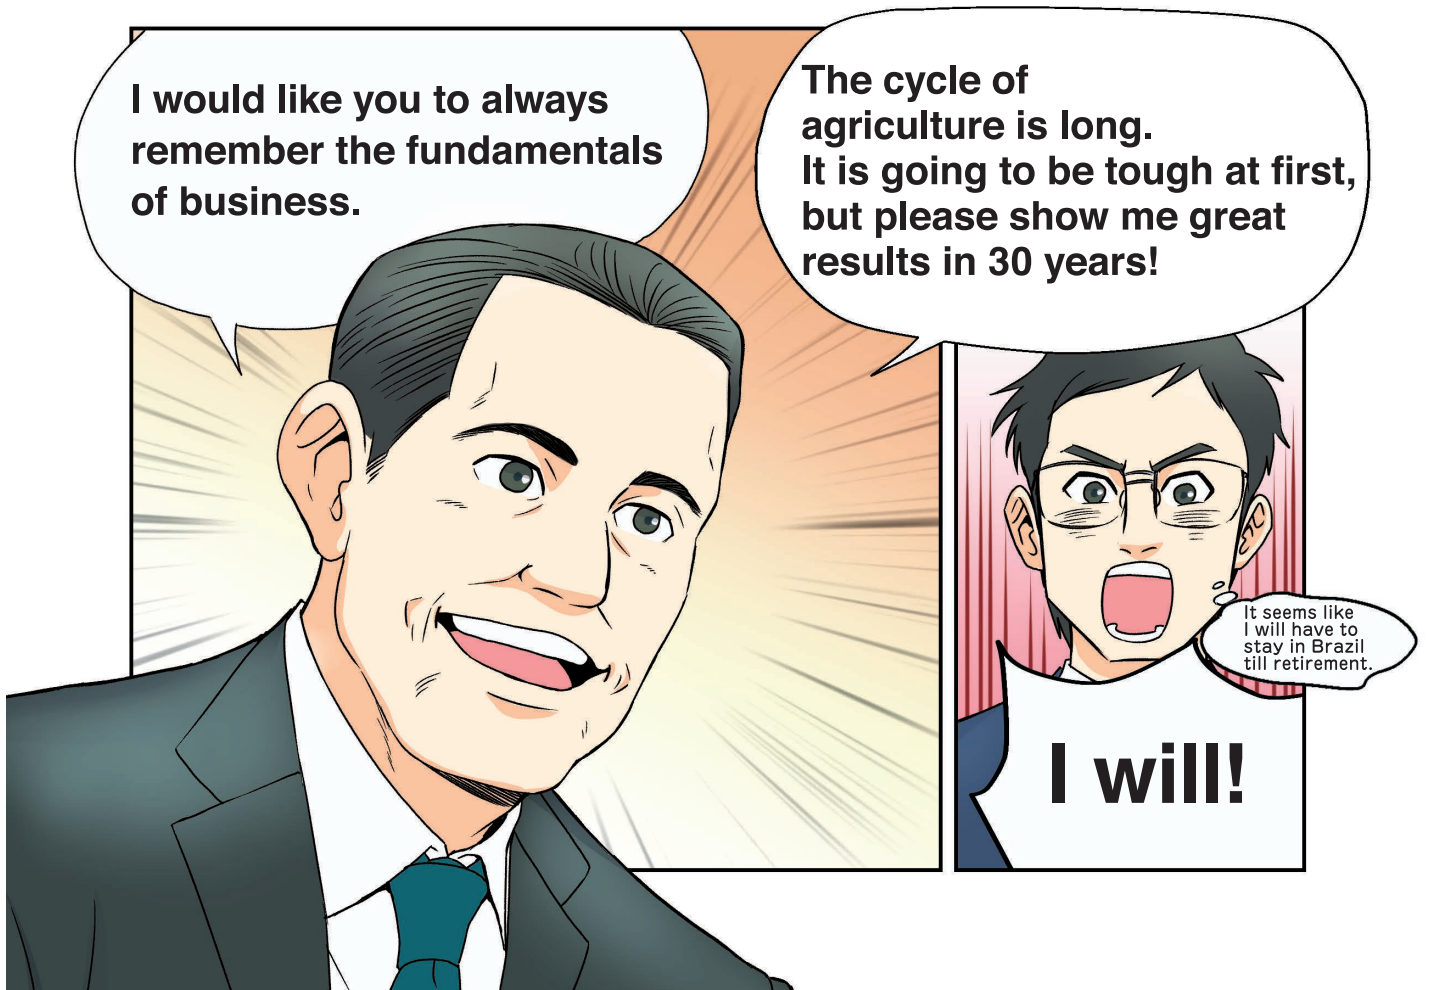

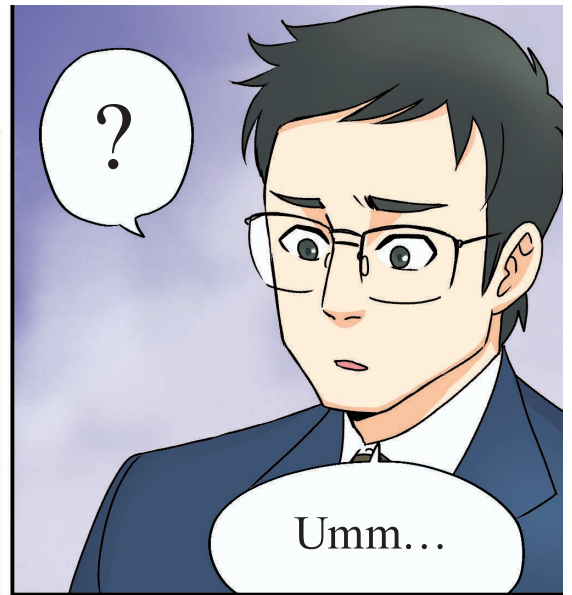

After the 3-month inspection period, he returned to Japan.

Mr. President, this is it for the status report.

I see... You have done well in such a short period of time.

By the way, Mr. E...

If I harvest once a year...
There will be only 30 chances...
There is no choice but to
find out what kind of
agriculture is

good for this farmland
by trying different
crops as I go.

After he returned to Brazil,
He visited other farms and
laboratories in the state.

Honey
I'm
here!

My wife arrived from Japan.

Then he met a scientist,
who was a leading
coffee researcher.

Well...

Are you willing
to do everything
as I say?

Yes!
**Let's work
together!**

As we worked with
the scientist and experts
from various fields,
they kept on learning
by trial and error.

Seasons went by...

I've come this far thanks to you all.

Honey!
Lucas brought his child with him!

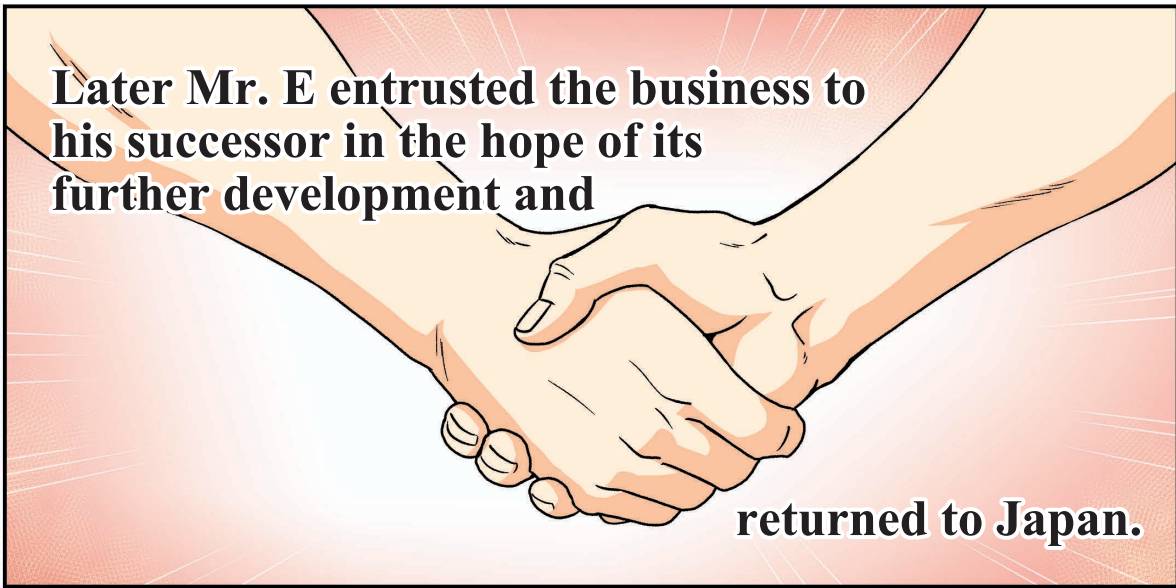

Not without your passion, Mr. E.

Business is a challenge.
I was able to come this far thanks to many collaborators.

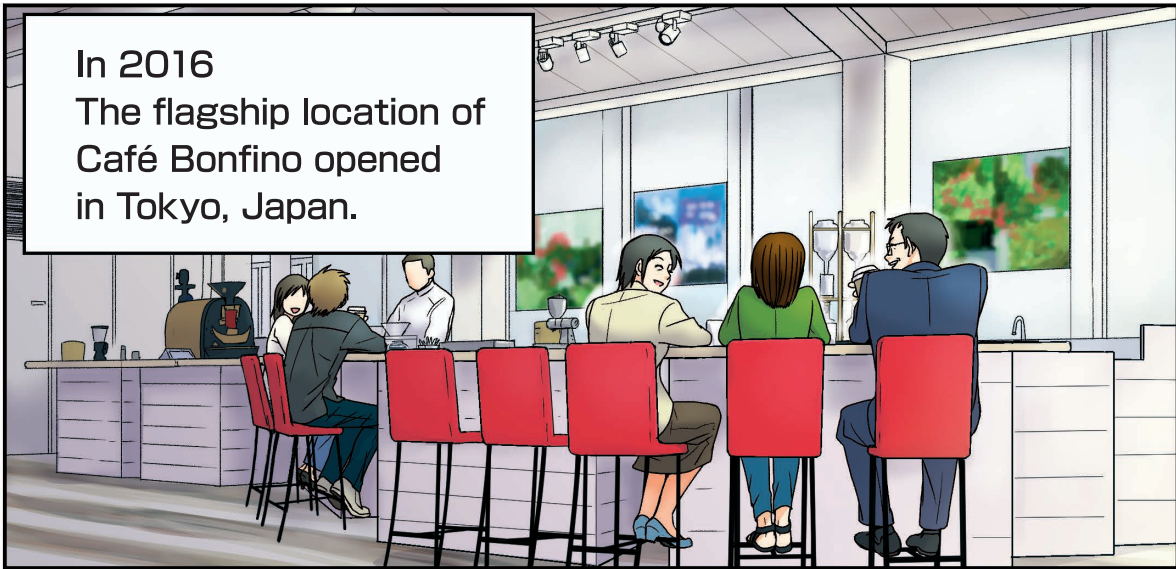

I wanted the president to see this view with me...

The founding president came down with an illness in 1986.

But I am deeply grateful to the president who gave me the opportunity and to everyone who worked with me!

The quality of the coffee beans cultivated on the farm is now at a level where they win worldwide accolade.

End.
